The Perfect Blend of Style & Functionality

Butterfly Sheer Shades are an innovative window treatment that combines the best features of Zebra Shades, Shangri-La Shades, and Roman Shades into one elegant solution. Designed to offer versatile light control, modern aesthetics, and effortless operation, these shades are becoming a favorite among homeowners and interior designers.

Key Features & Benefits:

Dual-Layer Fabric Design - Like Zebra Shades, Butterfly Sheer Shades feature alternating sheer and opaque panels, allowing you to adjust light and privacy with a simple tilt.

Soft Diffusion of Light - Inspired by Shangri-La Shades, the sheer fabric gently filters sunlight, creating a warm, inviting ambiance while reducing glare.

Sleek, Customizable Look - Similar to Roman Shades, these shades fold neatly when raised, offering a clean, tailored appearance that complements any decor.

Smooth & Quiet Operation - The cordless or motorized lift system ensures easy, child-safe adjustments.
